

Atlantic Nationals Bernie Melanson Scale Model Show
Hosted by the "Moncton Area Scale Automodelers"

The organizers of the "Atlantic Nationals Automotive Extravaganza" invite you to be a part of this awesome event set in Moncton's beautiful Centennial Park.

The scale model show will be at the Rotary Lodge Day Camp in Centennial Park. This event is a non-competitive gathering of model builders and enthusiasts. There will be no formal judging. The goals are to display our work, share tips and information, meet other modelers, and most importantly make new friends and have a good time. Instead, Participant's Choice Awards are presented, lending to the casual atmosphere of this event.

Setup will be from 9.00 to 10.00 am Saturday. Pre-registration is required for this show.

Registration costs are \$6.00* per entrant, or modelers attending can purchase a \$12.00* "Atlantic Nationals" event pass which allows one driver and his vehicle on to the site for the car show and model show on Saturday and Sunday. These passes will have to be purchased in advance by pre-registering before June 15th. Without the pass, regular gate fees will be charged and your vehicle will not be allowed to enter on site. Any car show registrant will have free registration to the Atlantic Nationals Model Car Show. Pre registration for the scale model show is required. Each model registered will be given a registration number. Names will be drawn during the show to give away prizes and/or products supplied by our sponsors. You must be present to win. If you would like more information or your firm would like to be an event sponsor, please call Tim Taylor at (506) 204-0956 or e-mail (falconutim61@hotmail.com)
